# SUPERINTENDENT

Congratulations to the Class of 1963.

Just as I am starting a new adventure as the new Superintendent of the Ashtabula Area City Schools, you, too, will soon be entering a new phase of life's adventure for you.

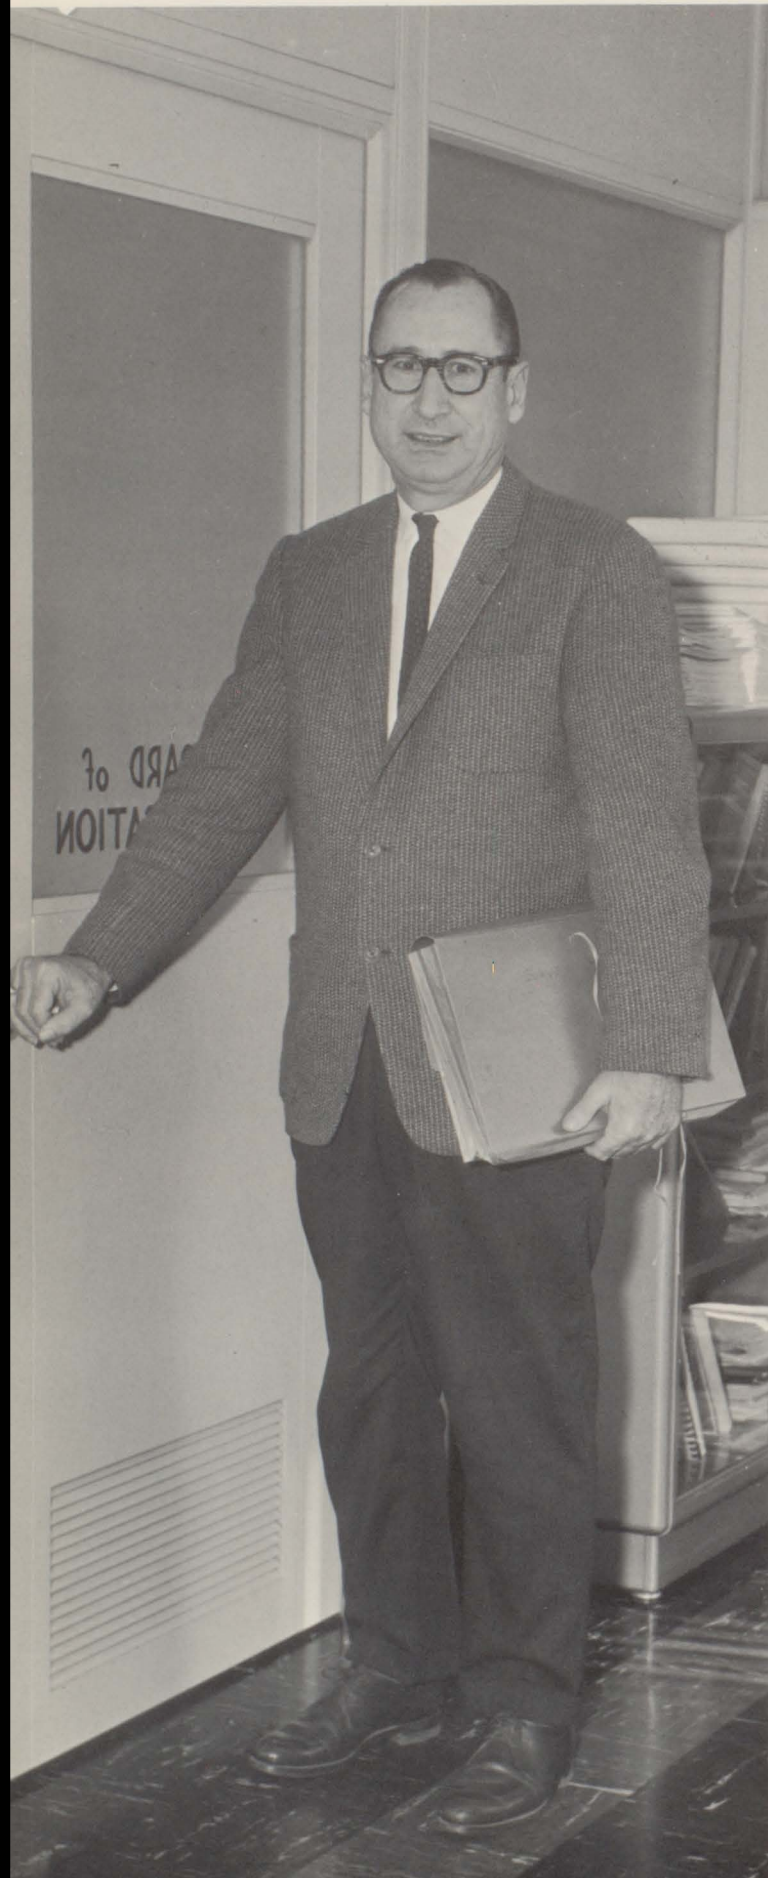

Today you have a set of working tools. The condition of these tools depends upon your diligence and success during the past twelve years. Your school record will stand you in good stead in admission to college or for the opportunity to be selected for a good job.

After your admission to college or your employment, you will start a new record. This new record will be dependent upon your attitude, your ambition, and your ability to continue your growth and development.

Best wishes for your future success and happiness. May each of you succeed in making a worth while contribution to your community, your state, your nation and the world in which you live."

Maria Belen Fombellida was our exchange student this year from Renteva, Spain. Her parents, Mr. and Mrs. Antonio Fombellida, own and operate the Paniel Heuri Restaurant in Renteva. In Spain Belen has two brothers --Jose, 18, and Fernando, 2-- and a sister, Maria Jesus, 16. Belen came to the United States two weeks before school started. At first she was very nervous and afraid being in a strange country and speaking very little English, but she soon learned to understand our language. When Belen returns to Spain in July, she will continue her education by studying languages. "I have enjoyed going to school in America especially since the boys and girls attend the same school."

The Thor Andersens are Belen's American family.

"Color me a seventh grader."

## CLASS OF 1968

The seventh graders have spent a rather normal year, normal for seventh graders, that is.

It has proved different, exciting, and at least once or twice, we're sure, simply awful. (How embarrassing, getting yelled at in study hall in front of all those seniors!).

They have managed to spend the entire four minutes between classes getting lost, at least in the beginning. But, there were highlights to the day--heckling seniors in overflow study halls, for example.

Ah, yes, it's been a good year, and now they are eagerly looking ahead to next year--when they will no longer be classified as newcomers, but veterans of H.H.S.

"Seventh graders are good for something."

## DANCERS

Modern dancing in-terprets music for audiences. The Modern Dancers of Harbor began learn-ing this art from Su-san Gable and Vir-ginia Luoma, club leaders, and Miss Joan McQuain, club ad-visor. The club was new this year and the girls had a lot to learn but they did put on a few performances. In addition to strict danc-ing, the girls enjoyed learning the hula, can-can, and some ballet.

## MAJORETTES

Harbor's Majorettes have displayed a great deal of pep and enthusiasm this year. They led the band and performed in the halftime shows during the football season. They also performed for assemblies and the annual variety show.

Also serving for three years are Mary Ellen Anderson and Cheron Gelber, while Joan Bent and Jackie May have served for two. Marching for their first year were Kathy Nordquest, Nancy Jones, and Karen Jopperi. Barbara Merritt served as a substitute.

## BASKETBALL SEASON

Harbor concluded their season on one of the leagues best comebacks. The Mariners won 4 straight games, and 7 straight league encounters to gain a third-place finish and concluded the season with a 9-5 record, and 11-7 overall record.

Harbor started off very slowly as they occupied seventh place for a number of weeks earlier this season.

At one point in the league race the Mariners had a 2 win and 5 loss record. But we finished close to the top anyway. Harbor placed second in the city series.

## *VARSITY CHEERLEADERS*

### *SENIORS*

Cheerleaders have the responsibility of representing the school and helping maintain school spirit. These girls were chosen by a panel of teachers who judged them on nine points: a "C" average, ability to get along well with others, leadership ability, personality appearance, acrobatic skill, conduct, reliability, co-ordination, and ability to cheer.

Practices for this year's Varsity began during the summer and continued throughout the basketball season. Among their activities were making mouthguards for the football team, decorating the goal posts, and making pom-poms during the football season. The girls have also planned pep meetings, made signs to increase school spirit, and helped on drives for the Athletic Boosters.

## CANDIDS

## RESERVE CHEERLEADERS

B. Campbell, J. Watt, B. Kellogg, M. Koski.

The Reserve squad cheered for all reserve basketball games and helped the Varsity cheerleaders occasionally with decorating the goal posts and with the pep meetings. They also helped the Athletic Boosters when asked.

FIRST ROW: T. Anthony, D. Candela, T. Jokiniemi, B. Bernardo, R. Perez. SECOND ROW: T. Herlevi, J. Freetly, F. Maenpa, D. Behn, J. Palo, D. Deluca, J. Kneen.

## RESERVE BASKETBALL

The Reserve Basketball Team under the leadership of coach Dom Cavalancia had a fairly successful season. The team won eleven of the eighteen games they played.

The team practiced every night after school with the varsity team.

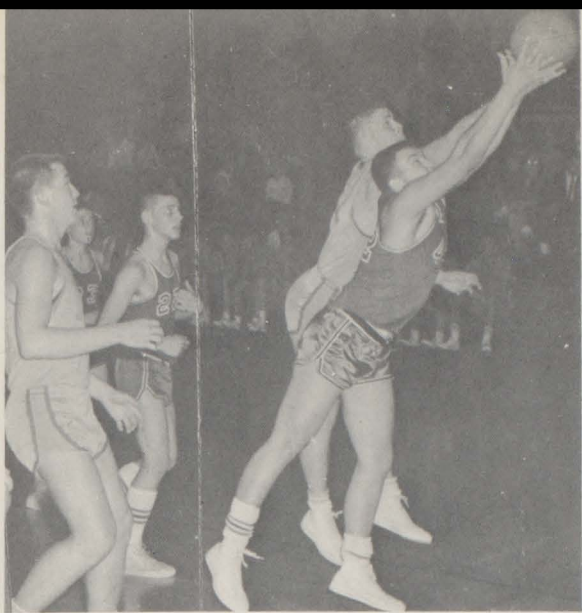

Their games started at seven o'clock on Friday evenings.

We wish to commend the boys and the coach on a very fine season.

## BASEBALL TEAM

### COACH

On March 14, the Board of Education approved a baseball team for Harbor High. Athletic Boosters and the boys themselves worked hard to get the necessary funds.

The Mariners practiced at Smith Field and played their home games at Massucci Field. The boys played the first part of the season without uniforms.

They came in fifth in the WRL, and had a two-twelve record overall.

### CLASS OF 1963 DONATES \$200

The Class of 1963 donated two hundred dollars to the Athletic Fund especially marked for baseball.

Harbor's team will get better with experience, and we hope that people will remember that our class helped get baseball started again at Harbor.

## "CAMELOT"

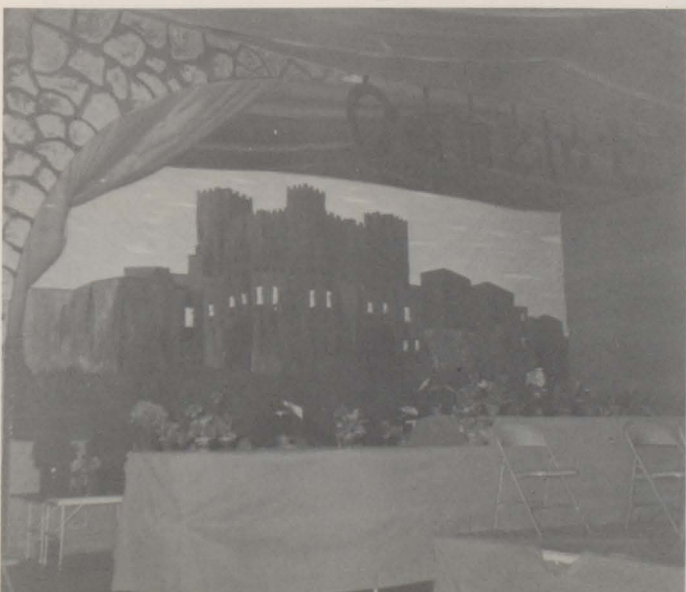

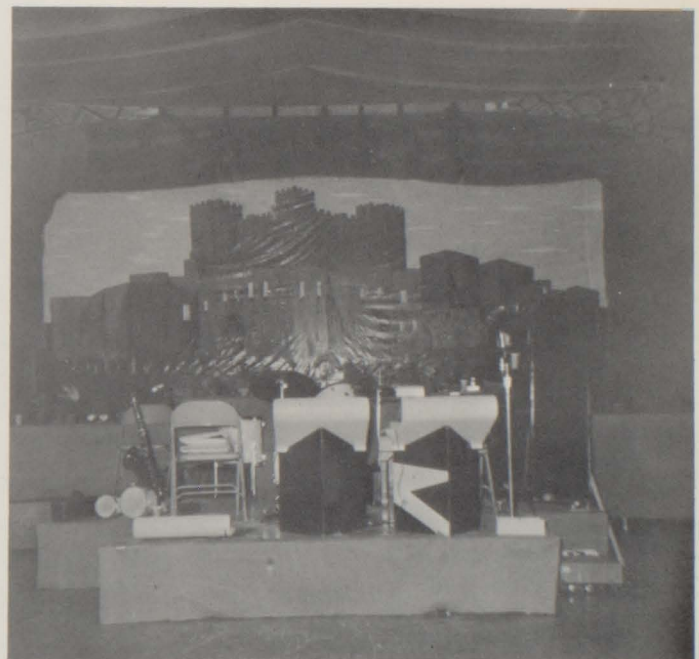

No one but those who worked on it could imagine how much work went into the building of "Camelot," the scene of our Junior Prom. Under the direction of Jim Mikkelsen and the rest of the committee, the structure went up amazingly fast, and was finished right on schedule.

By eight o'clock on Saturday, May twenty-sixth, nineteen hundred sixty-two, the finishing touches were beautiful. Along the south wall of the gym were a castle wall and a mural of a distant castle. The opposite end of the gym contained a throne at which manequines, dressed as king and pages stood near a seated queen.

Under the shadow of the balconies along the side walls were tables and chairs for weary dancers. Beautiful dance music was provided by Vic Savelli and his dance band.

At the after prom party, Jim Hanson spun records and Ray Jangles' Dance Band played more dance numbers. At half past three a breakfast was served by the parents.

Throughout the after prom party, prizes were awarded to many lucky couples.

First we see those who have remained and staked their claim in their home town, the best location in the nation, Ashtabula, Ohio.

DAVID TURNER and LYN WHIPPLE are partners in the World-wide Pharmaceutical business which has its headquarters at the corner of West 6th and Lake Avenue under the name of Turnipple Incorporated.

Bartender at St. Angelos' is ROGER GOLEMBIESKI. Professional hustler at the establishment is BILL BECKWITH. NELSON.

BELEN FOMBELLIDA is the world's most renowned lady toreador and is currently touring Mexico. KAY WAL-TARI, a noted secret agent for the United States, may be seen behind the Iron Curtain but, for security reasons, that is all we can disclose. CAROL JOHNSON took her Cocoa Chanel's business in France and is making huge profits on her own concoction--Chanel No. 0. SHARON ANDERSON, now living with the Fombellida family in Spain, has been deported from the United States for divulging top secret information to the Spanish government. JEANNE TRIOZZI is an ambassador in charge of United States--Finland diplomatic relations. Taking care of American--Italian diplomatic relations is DAVE SALMEN. On these famous grounds we see other Harbor graduates--DENNIS COBB, White House electrician; chief cook and bottle washer is BOBBI RAISANEN; governess for the President's seven children is CATHY GUSTAFSON. Head gardener for the White House grounds is LARRY OLSON. BOB GASKELL, exterminator extraordinaire, keeps the place free of pests. Incidentally, THAD HAGUE is in Washington, D.C. as Chief Justice of the Supreme Court.

PAT KANGAS is running the U.S. Navy--literally--because she's married to the Secretary of the Navy. On the side, she is manager of the President's PHYSICAL FITNESS CAMPAIGN.

In the everglades we spot CHERYL LYON guiding her tour under the spanish moss. Nearby we see BOB REED capturing alligators which he wrestles in the side show of BOB ENRICO'S Circus, now wintering in Florida. Also appearing in Bob's circus is FRANK KONEGNI, the human cannonball.

Next we journey to another land of sun, Hawaii where we see LINDA McGRIFF, instructor in surfing. ROSE SEDMAN, who operates a Lonely Hearts Club in Kalamazoo, Michigan, has recently brought together two former classmates--SHERYN BAGLEY, head of a tin horse factory, and FRANK FRYE, who has the finest collection of antique cars in the states.

Our time machine shows TOM BARRICKMAN selling "Debbie Dolls" for DIANE BENHAM'S Kiddy Kumpany, foremost toy manufacturer in the United States.

ALFRED FERBERDINO resides in Hersheyville, Pennsylvania, and is head of the Herhsey Co. (What did you expect?) Also in Pennsylvania we see JIM WIBLE, head forest ranger in Cook's Forest.

In Cleveland we see TED FAHNOE, who may be found "pole sitting" at the top of the Terminal Tower where he has been for three years trying to win a \$5 bet he made with the former DIANE REECE, now the mother of ten.

America's top-notch scientist in the field of space travel, PHIL TURCHIK, is now head button pusher at Cape Canaveral. Next astronaut to journey to Venus is DAVE TALLBACKA, chosen for his cool thinking under pressure.

Looking way, way up, so we can barely see her, is LYNN RUUSKA, who along with her four partners is attempting to be the first woman to conquer Mt. Everest. Striving for another first is MARY ELLEN DEPUE, who is swimming Lake Erie in the dead of winter. SHARON LOMBARDO, auctioneer, now holds the title as the fastest woman talker in the world.
